

Winger Sports Academy

The Winger Sports Academy Ltd is pleased to announce they will be running their popular After School Cross Country Club for all Year groups at Buttsbury Junior School.

Cross Country is one of the most basic forms of sports. Most children are born with the ability to run. With some specific sports coaching, training for Cross Country can see dramatic improvements in their running strength and running endurance. It will also help develop strong mental skills and build an improved sense of discipline towards running, other sports and life in general.

All Winger Sports Academy Ltd coaches are fully qualified, have Disclosure and Barring Service certificates, first aid training and experience in all sports.
