

- **YR 4 AND 5 GYMNASTICS CLUB**

- Dear Parents,

The Year 4/5 Gymnastics Club will take place on Wednesdays after school from 3.15pm – 4.15pm. The aim of the sessions is for the children to learn basic gymnastic skills, progressing through to some more challenging moves, in a safe and fun environment. The club is open to both boys and girls.

The first session will start on Wednesday 11th September. The children are to bring all their belongings to the hall and get changed in the hall straight after school. At 4.15pm when the session has finished, all children will be brought out of the library door by me ready to be collected.

Please note that this club is led by coaches from Winger Sports Academy but funded by the school.

If your daughter/son would like to join this after school club, please complete below.

Places are limited. Due to a high level of interest in this club, all names will be placed into a hat and spaces will be chosen at random. **You will be informed whether or not your child has been allocated a place and if unsuccessful their name will be placed on a waiting list as a space may become available later in the term.**

Yours sincerely,

Mrs A Robinson
