

Dear Parents,

We are ready to welcome back all our keen basketball players at Buttsbury and ready for new children to join up.

Basketball is a great team sport which is simple to begin playing. Team sports are known to benefit young people in giving them life skills (confidence, dealing with pressure) not just for now but for the work place in future years. It is high energy and great for health and fitness whilst all players can score.

Sessions are restricted to one year group at a time and will be held outside so dress suitably.

Funding is available for those wanting to participate but unable to afford. Please contact Champions Academy direct for further details.

ALL players participating in Champions Academy schools clubs will automatically become Champions Academy Members and receive a member discount for school holiday sessions.

Many thanks
