## Year 3 Gala Swimming Taster Session - Sunday 19th September

# Gala Swimming Taster Session Sunday 19th September

Gala Swimming Taster Session - Sunday 19th September

Dear Parents

### Gala Swimming Taster Session

Buttsbury Junior School has a very strong reputation for competitive swimming, having qualified for the County Finals in the last seven consecutive years and won the competition in the past three years!

In order to encourage our Year 3 children to get involved in swimming, I have organised a 'taster' session for 'gala swimming' on **Sunday 19th September, 12.30pm - 1.30pm** at **Billericay School Swimming Pool**. The session will be led by coaches from Elites Swim School and will give the children the chance to have a try at some race techniques and also to take part in relay races. I will also be present during the session. **In order to take part, children need to be able to swim 25m.**

We will also be holding an inter-house swimming gala in October to enable children to represent their house and also record times which can be used for consideration for the school team.

Please do encourage your child to come along!

I would suggest that you aim to arrive ten minutes early in order to allow time for your child to change.

If you would like your child to take part in the taster session, please complete the online form by Friday 10th September.

Yours sincerely

Ann Robinson
