**Winger Sports Academy** is pleased to announce they will be running their popular **Before School Dodgeball Club** for all **Year groups** at **Buttsbury Junior School**.

**Dodgeball** is the fastest growing team sport in schools because it gives an overall workout while at the same time combating obesity. Avoiding the ball gives good cardio exercise and improves leg and arm strength through jumping and throwing the ball. Trying to avoid the ball or catch the ball improves hand-eye coordination.

Some of the key adaptations and protective measures we are implementing for these clubs are listed below.

- Places available will be limited to ensure we can provide a safe and fun environment.
- The club sizes are inline within the government regulations.
- Hand washing/sanitising before and after club for children and staff.
- Sanitising of equipment i.e dodge balls after each game.
- If a child develops symptoms they will be isolated and parent called immediately.

All Winger Sports Academy coaches are fully qualified, have Disclosure and Barring Service certificates, first aid training and experience in all sports.

## **Dodgeball Club**

# Winger Sports Academy

Winger Sports Academy is pleased to announce they will be running their popular After School Cricket Club for all Year groups at Buttsbury Junior School.

Cricket is all about getting people involved in informal games of cricket in a fun, engaging way. It is an inclusive game that can be played with minimal equipment, with mixed abilities and across genders. Playing cricket contributes to a healthy, active lifestyle, as well as providing a chance for everybody involved to take part in a fun sport!

Some of the key adaptations and protective measures we are implementing for these clubs are listed below.
