

Winger Sports Academy is pleased to announce they will be running their popular Before School Dodgeball Club for all Year groups at Buttsbury Junior School.

Dodgeball is the fastest growing team sport in schools because it gives an overall workout while at the same time combating obesity. Avoiding the ball gives good cardio exercise and improves leg and arm strength through jumping and throwing the ball. Trying to avoid the ball or catch the ball improves hand-eye coordination.

Some of the key adaptations and protective measures we are implementing for these clubs are listed below.

- Places available will be limited to ensure we can provide a safe and fun environment.
• No jewellery (i.e earrings), watches to be worn.
• If a child develops covid symptoms they will be isolated and parent called immediately.

All Winger Sports Academy coaches are fully qualified, have Disclosure and Barring Service certificates, first aid trained and experience in all sports.
