

Winger Sports Academy

Winger Sports Academy is pleased to announce they will be running their popular After School Tennis Club for Year 3 & 4 at Buttsbury Junior School.

Tennis is fun, great for fitness, and for developing fundamental movement skills and physical literacy. Modified versions of the game make it accessible and achievable for all ages and abilities. Tennis is also a great way of developing personal and character skills.

Some of the key adaptations and protective measures we are implementing for these clubs are listed below.

- Places available will be limited to ensure we can provide a safe and fun environment.
- No jewellery (i.e earrings), watches to be worn.
- If a child develops covid symptoms they will be isolated and parent called immediately.

All Winger Sports Academy coaches are fully qualified, Disclosure and Barring Service certificated, first aid trained and experience in all sports.
