

Mastery in History Education at Buttsbury Junior School

Effective mastery in History encourages all pupils to think critically about the past and evaluate the impact of historical events on the modern world.

Pupils are able to apply their knowledge to compare and contrast customs and beliefs from one society to another.

Pupils can empathise with people of the past and analyse their motivation and decisions.

Pupils can select the most appropriate source of evidence; evaluate the reliability of sources and form their own opinion about historical events from a range of sources.

As a result of this, pupils will have comprehensive understanding of the past and develop critical thinking skills.
