Sample Parent

Sample Student (Year 1, Samples)

Year 4 Bikeability

Thursday 13th March

Dear Parents/Carers,

Level 1 Bikeability Cycle Training

(Delivered on behalf of Essex County Council)

Your child has the opportunity to take part in a Level 1 Bikeability course during this academic year.

Participants should be able to ride without any assistance.

The course will be delivered in a playground or similar off road environment, during the school day, and is designed to enhance your child's basic cycling skills. It introduces the children to safer bike handling practices in a fun and relaxed way, in readiness for Level 2 training in year 6.

There are a limited number of places so children will be offered a place on a first come, first served basis and will be expected to attend the whole session in order to pass.

It is essential that the children wear a cycle helmet (not full face), the bicycle is a suitable size, and in a roadworthy condition with two working brakes.
